Administrators Set the Tone of Fairview

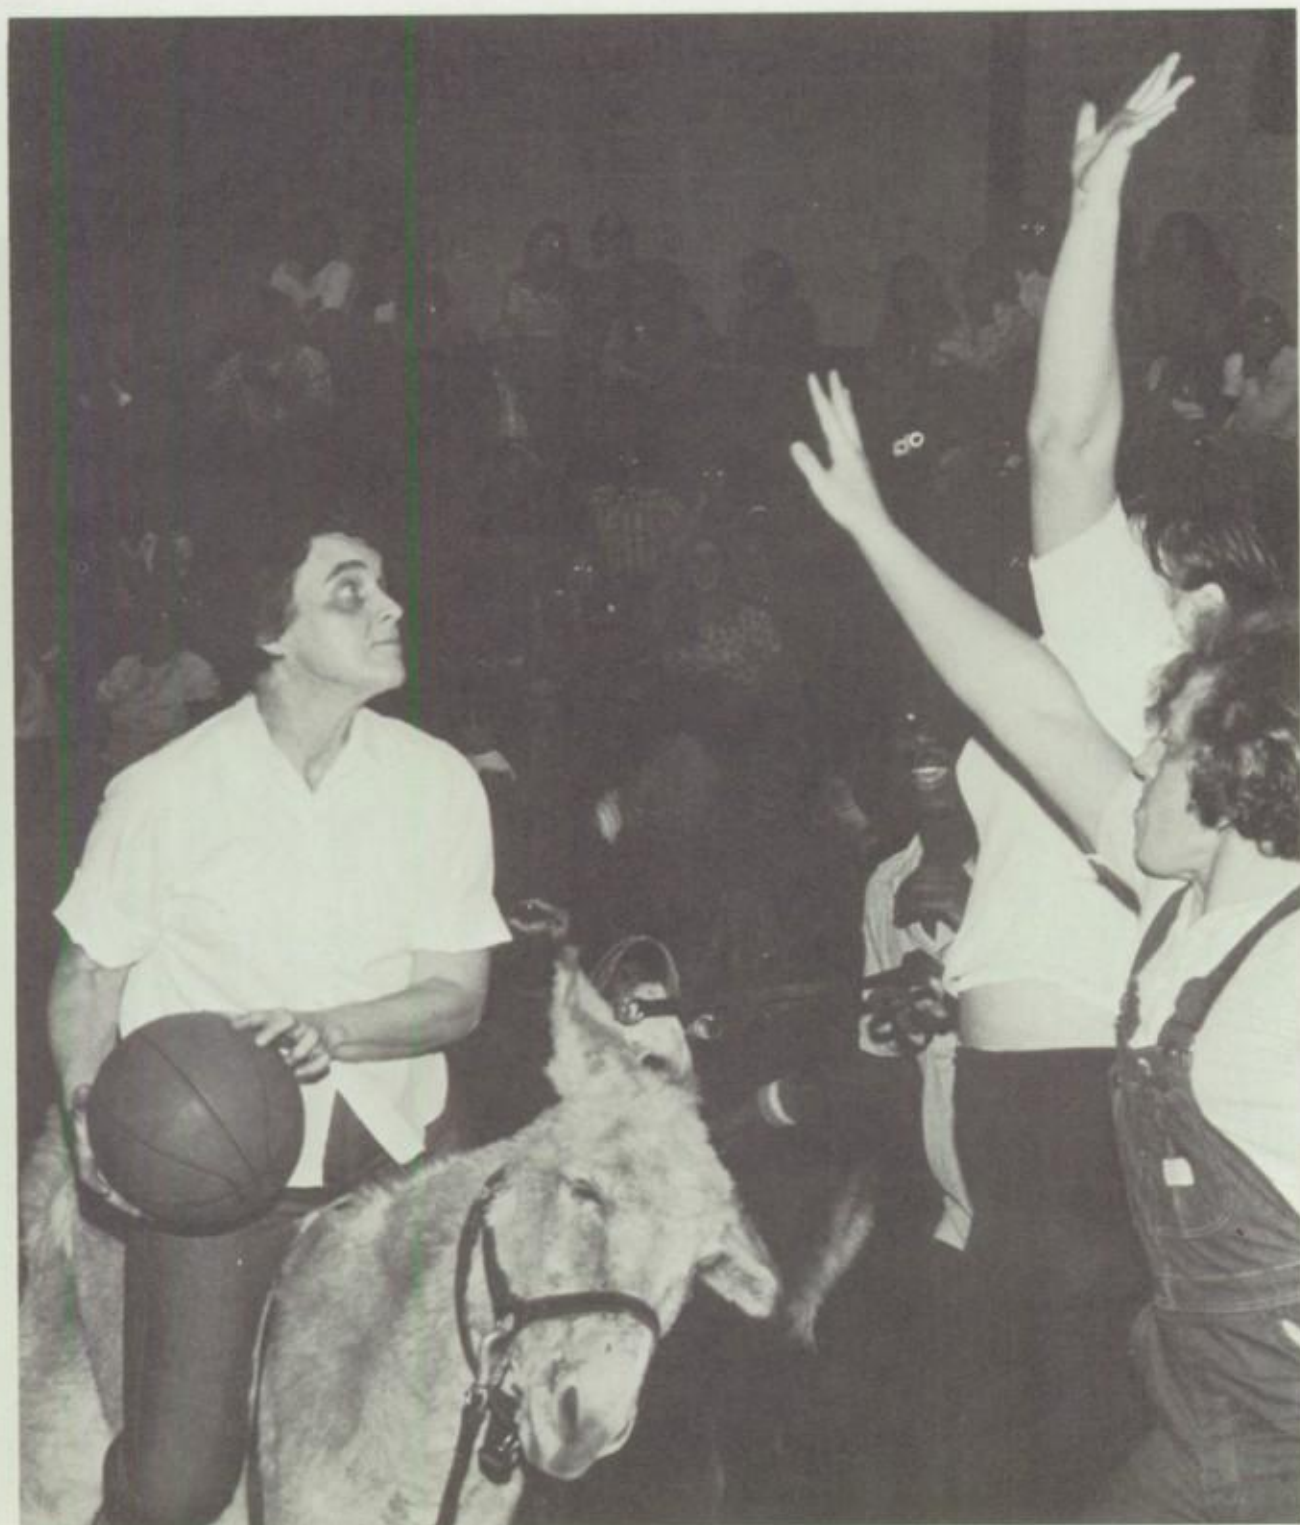

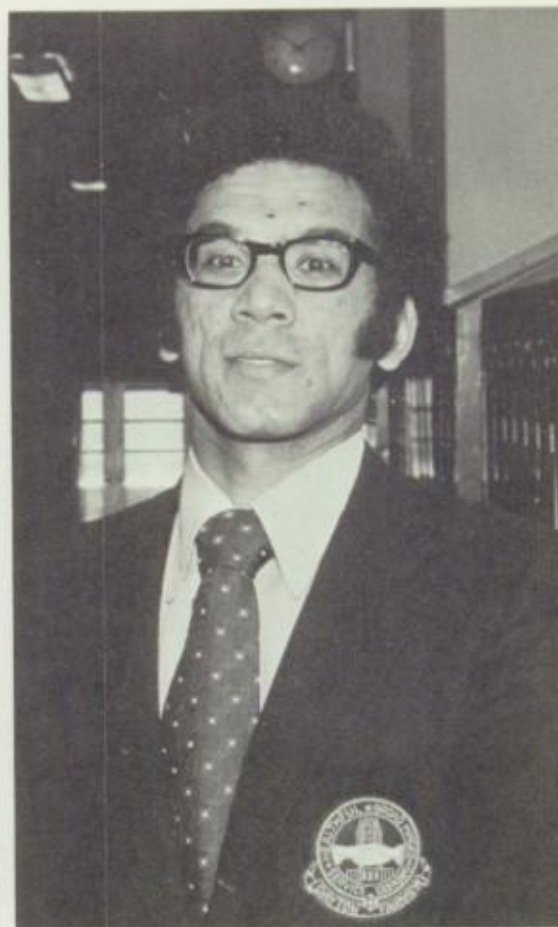

Mr. Floyd Norman

Congratulations, Seniors of 1974. Even though I have been with you for only one short year, I feel that a true attitude of friendship has been developed. Many of you have gained honor and recognition, not only for yourselves but for Fairview. My thanks to all of you, for I know that you have made some contribution in a positive way. In parting, may I say that it has been my hope, my concern, that we as a school have provided you with adequate direction toward a successful future.

GOOD LUCK, '74 SENIORS!

We, the yearbook staff, proudly present the 1974 TOWER OF MEMORIES. This is our attempt to capture the memorable activities and accomplishments of Fairview's student body during the 1973-1974 school year.

The yearbook staff would like to thank those people who helped make the publication of this book possible: Mr. Norman, Mrs. Booker, Mr. Lindsey, Mr. Ford, the Fairview Faculty; and Mr. Hirtzinger, the representative from Taylor Publishing Company. We give special thanks to Schwabe's Studio, the official yearbook photographer. Our sincere appreciation to the 1975 yearbook staff for assisting in selling and completing the book. We would also like to express our deep appreciation to our advisor, Miss Barbara Minton, for her guidance.
